### Directions:

- Before the lesson:
  - Write a definition in your own words (in the shaded area) for each bolded term.
  - Complete the word grid by placing a “?” in each box that you believe matches a section of the Statement of Financial Position (words in bold) with an item. (9 points)
- After the lesson:
  - Review the definitions and make any edits to ensure the definitions are correct. (5 points)
  - Complete the word grid again by placing a “★” in each box that correctly matches a section of the Statement of Financial Position with an item. If your guess was correct, add a star to note the correct answer. (9 points)
